

ANTIQUÉ & CLASSIC BOAT FESTIVAL

It is becoming increasingly rare to experience the incomparable sight of an elegant vintage vessel gliding through today's harbors. The Festival encourages people to rescue, restore and maintain these precious boats which constitute our nation's maritime heritage and provides a public venue in which to learn about and celebrate that heritage.

Please help us do this by becoming a *Friend of the Festival!* Your welcome contribution is tax-deductible, will win our deep gratitude, and, needless to say, will **help keep us afloat!**

Please make your contribution payable to:
Antique & Classic Boat Festival, Inc. and send to:
Festival, 16 Preston Rd., Somerville, MA 02143. **Thank you!**
